SOLIHULL METROPOLITAN BOROUGH COUNCIL CONDITIONS OF LICENCE ATTACHED TO A PRIVATE HIRE OPERATOR'S LICENCE.

MADE UNDER LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

26/00180/PHO

Interpretation

In these conditions;-

(a) "the Council" means Solihull Metropolitan Borough Council (SMBC).

(b) "Authorised Officer" means any Officer authorised by the Council or any Police Constable.

(c) "Operator" means the person to whom the Council has granted the Private Hire Operators Licence to which these conditions apply. In the case of a partnership to each of the partners, and in the case of a company to each of the company directors.

(d) "Licence" means the Operators Licence, granted by the Council.

Introduction

The Private Hire Operator's licence is granted to you subject to you complying with the following conditions of licence. The council reserves the right to vary these conditions or impose further conditions at any time.

Failure to comply with any of the conditions may lead to a prosecution or could lead to your licence being suspended, revoked or not renewed by the Licensing Sub Committee.

Conditions

1. If any person named on the Private Hire Operators Licence is convicted of any offence, or is cautioned, or receives a fixed penalty notice, or has a court case pending, or is under investigation by any other Council or other Enforcement Agency, he/she **MUST** report the details **IN WRITING** to the Licensing Office, at Solihull Metropolitan Borough Council **within Seven Days**.

2. An Operator will undergo a Basic Criminal Records Bureau Check (CRB) every three years. Failure to disclose any spent or unspent conditions at any time may result in formal action being initiated against the Operator. All directors of a limited company will also be required to undergo a basic criminal records check every three years unless they are also licensed private hire drivers have previously undergone an enhanced CRB check and do so as part of that licensing regime.

3. The licence is only granted in respect of the premises notified to the Council at the time of application. The premises from which an operator conducts his business must be within the district of this authority.

4. The Council has the right to refuse the grant of an Operator's licence where the proposed business name is the same as, or similar to that of an existing Operator licensed by this Council, or any other neighbouring council. The Council shall also have the right to refuse, or refuse to renew an

Operator's licence, where the business name is either changed, or made up from a collection of other Operator names operating within this Council district, or any other neighbouring council district.

5. If the Operator intends to change the business address of the operation, written consent must first be obtained from the Council's Licensing Office and if approved, the original licence must be returned before any new licence is granted. Consent will only be granted in respect of those premises which have planning permission to be used as a Private Hire Operators business.

6. The Operator is required to produce a copy of a licence to transmit, issued by the Radio Communications Agency (or equivalent body) to the Council. That licence will also be displayed on the Operator's business premises. Proof of planning permission, must also be produced to the Council's Licensing Office.

7. At all times, an Operator must ensure that all vehicles and drivers operating under his/her Operators licence, are compliant with the legislation and conditions relevant to Private Hire Drivers and Vehicles.

8. The Licence is not transferable and is granted for a period of twelve months and must be on display on the premises in a prominent position. The Operator shall at all times keep a copy of the 'Operator Conditions' on the premises used by him/her for the purpose of a private hire business, and shall make the same available for inspection by an authorised officer of the Council or police constable, at any reasonable time.

9. (a) The Licence is granted on condition that all fees due to the Council in respect of its grant, are paid in full, prior to the commencement of the licence.

(b) The Operator will have in force a current public and employees' liability insurance policy, a copy of which will be sent to the Council annually.

(c) If the operator employs more than 5 people, he will have a Health and Safety policy displayed on the premises and a copy will be sent annually to the Council.

Documents to be kept by the Operator

10. The Operator must retain certain documents relating to the vehicles and drivers operated as follows:-

i) **Drivers**

The Operator must retain the **ORIGINAL** Private Hire Driver's Licence issued by the Council under Section 51 of the Act prior to employing/engaging the driver. A copy of the Private

Hire Driver's Licence is unacceptable. The Operator must also retain a copy of the driver's **current** DVLA licence.

ii) **Vehicles and Insurance**

The Operator **must** display at the premises used by him/her for the purposes of taking bookings, a list (in the form provided) or on the computer, of all private hire vehicles operated by him/her and must include details of the vehicle proprietors, registration numbers, and the names of all drivers used, together with their approved call sign or other identification allocated to each driver. The Operator must keep all records of **any changes** to call signs or other identification of a particular driver.

14. All records shall be kept for at least 6 months and be readily available for inspection by an Authorised Officer of the Council or Police Constable at any time during the hours of operation.

15. Within the controlled district of Solihull, the Operator must operate only those private hire vehicles and drivers licensed by Solihull Metropolitan borough Council.

Staff

16. The licensed Operator(s), or a responsible person over the age of 18 and nominated by the Operator in writing to the Licensing Office, must be on the premises and in charge of the operation and immediately contactable by any authorised officer AT ANY TIME during business operation.

17. The Operator must also ensure that any person left in charge of the premises in the absence of the Operator(s) is fully aware of these conditions of licence, in particular those relating to the keeping and maintaining of records for drivers, vehicles, and bookings, and the need to comply with the conditions AT ALL TIMES.

18. If the Operator (or any director from a company who is an operator) is convicted of any offence whilst the licence is in force he must notify the Council in writing of within 7 days of conviction.

Private Hire Vehicles - Fleet Policies

19. i) Operators using vehicles under a fleet policy must ensure that details of each Private Hire Vehicle is listed on the insurance certificate, the schedule, or the policy itself.

    ii) Similarly, any Private Hire Driver authorised to have use of such vehicle should again be named on the certificate, the schedule, or the policy itself.

    iii) Operators should ensure that accurate records are kept at all times to identify the Private Hire Driver using any particular vehicle at any particular time.

20. i) Operators using vehicles having in excess of 8 seats (PSV) must ensure that they have the appropriate Operators Licence issued by VOSA.

    ii) Similarly Operators should ensure that drivers have the appropriate licences to drive such vehicles.

    iii) Accurate PSV records must again be maintained and kept separate from all Private Hire records.

21. All Insurance documents produced to the Council should be in their original format. **Faxes and photocopies will not be accepted**. Where Fleet Polices are held on record, a letter of authorisation signed by the proprietor must be produced to renew the vehicle licence.

Advertising

22. The Operator shall not advertise the business in any name other than that indicated on the Private Hire Operators licence. An Operator wishing to advertise in any other name must seek prior approval in writing from the Council.

23. Any Private Hire Vehicles operated must display Operator identification signs on either the doors or windscreens and must incorporate the following information:-

a) The current trading name of the business operating the driver and vehicle.

b) The corresponding telephone number of that business.

The call sign of the current driver must be displayed in the front and rear windscreens, and all external signs must be made of a weatherproof material.

Vehicles that have been granted an exemption by the Council not to display a licence plate or Operator 'logos', will be required to carry the plate in the boot of the vehicle, together with documentation confirming details of the Operator, corresponding telephone number and call sign.

24. The operator shall not cause or permit the words 'taxi' or 'cab' 'for hire' or any other word or combination of letters that may lead any person to believe that the vehicle may be a hackney carriage on any private hire vehicles operated under his licence.

25. An Operator shall not 'pass off' or advertise his/her business using a similar name, font, or colour scheme to that of any other Operator licensed by this Council or any other neighbouring council.

Complaints

26. i) All reasonable steps must be taken by the Operator to fully investigate any complaints made by passengers. An accurate record of the complaint must be kept showing what actions the Operator has taken or proposes to take.

ii) In the case of any serious complaint the matter must be referred to the Council and/or the Police, where appropriate. A record of the complaint must be kept for a period of 6 months and must be made available for inspection at anytime to an authorised officer of the Council or Police Constable.

Lost Property

27. Any **identifiable** lost property must be handed into a local police station. Examples of identifiable properties are driving licenses, passports, wallets/purses, mobile phone, laptops etc.

Non identifiable lost property is to be retained by the Operator for a period of 6 weeks after which time any unclaimed items may be claimed by the person who handed in the property.

Perishable goods, such as frozen foods, dairy products, fruit and vegetables should be disposed of at the discretion of the Operator.

The Operator must have a system for recording and storing all non identifiable lost property. The Operator must also keep an accurate record of any identifiable lost property that has been handed into a police station.

Meters/Radios/PDA

28. If any vehicles operated are fitted with a meter, the rate of fares at which the meter is calibrated shall be displayed within the vehicle.

29. In all other vehicles operated, the Operator must ensure that a list of the rates by which charges are calculated is available for inspection or on display **at all times**.

30. Any radio communication device, PDA or satellite navigation system installed in the vehicle by the Operator shall be securely fixed and fitted in such a position that it does not impair the drivers view or interfere with his control of the vehicle when it is in motion.

Standards of Service

31. An Operator shall ensure that when a Private Hire Vehicle has been hired it shall attend punctually at the appointed time and place.

32. The Operator shall not cause or permit a greater number of passengers to be conveyed in a vehicle, which exceeds its licensed capacity.

33. An Operator, to the best of his/her knowledge, shall ensure that all drivers operated by him/her are clean and presentable and that the vehicles dispatched are clean and in a roadworthy condition.

Touting

34. The Operator shall not:

    (a) tout or solicit any person to hire or be carried for hire in any private hire vehicle;

    (b) Cause or procure any other person to tout or solicit any person to hire or be carried for hire in any private hire vehicle

Premises

35. i) Any rooms or areas provided for the public for waiting or making bookings must be clean, adequately heated, ventilated, well lit and have adequate seating facilities.

    ii) If any such rooms are provided for use by the public, the Operator must hold public liability insurance for those areas if relevant.

Assistance Dogs/Wheelchair Users

36. i) In the case of a passenger who is accompanied by a guide dog or assistance dog, the Operator shall not refuse to accept the hiring merely because the dog is accompanying the passenger.

ii) An Operator may not make any additional charge for the carriage of a guide/assistance dog, the conveyance of a wheelchair, or other equipment required by a person suffering from a disability.

NOTES OF GUIDANCE

Disability Discrimination Act 1995 (DDA)

The DDA makes it unlawful to discriminate against members of the public on the grounds of disability. The Disability Rights commission has issued a code of practice on the provision and use of transport vehicles.

(See also the Equalities Act 2010)

Smoke Free Legislation

i) Private Hire Vehicles and 'Taxis' are smoke free vehicles and nobody may smoke within these vehicles. Appropriate 'No Smoking' signage must be displayed in the vehicle. Failing to prevent smoking in a smoke free place can lead to prosecution and a maximum fine of £2500 being imposed on whoever manages or controls the smoke-free premises or vehicle.

ii) Any enclosed premise that is used as a workplace or is used by the public, for example, making bookings, must be smoke-free.

For further advice and guidance on this matter please go to **www.smokefreengland.co.uk**

Consumer Protection from Unfair Trading Regulations 2008

Under the provisions of the above legislation, any licensed Operator marketing a product (including comparative advertising) that creates confusion with any products, trade names or other distinguishing marks of a competitor may be committing an offence.

Sale of Alcohol

Sale of alcohol is a licensable activity under the Licensing Act 2003. Sale of alcohol is prohibited on a moving vehicle. If a sale of alcohol is made as part of a booking arrangement that sale must be authorised in accordance with the Licensing Act 2003. For further advice and guidance please contact the Licensing Office on 0121 704 8003, or visit www.culture.gov.uk

Operators Business

i) The Operator **must** ensure that he/she complies with the requirements of the Town and Country Planning Acts and the Health and Safety at Work Act at all times as far as the business use of the premises is concerned. The Operator must also ensure that a written fire risk assessment is in place and that it is reviewed annually or at anytime there is a material change to the fabric of the

building.

ii) If you have any difficulty in understanding the implications of any of the above conditions, please let the Licensing Office know immediately so that arrangements can be made to assist you in that respect.

iii) If you are aggrieved by any of the conditions attached to this licence you may appeal to the Magistrates within 21 days of the grant of this licence to you.
